

January 16, 2005

Dear Patron:

We would like to invite you to take part in something very special that benefits the students of San Clemente schools through our *Art Reach* program, and to help promote San Clemente as a regional center for fine art. The San Clemente Art Association has been providing an open forum for visual artists for more than 50 years, and throughout our rich history we have encouraged the artistic side of our culture at an early age.

In July 2000, we launched our first *Paint San Clemente Competition* with a focus on raising funds to help support the artistic exploration and education of our school students, and draw talented artists from the region to our city. Now entering its fourth year of success, we are even more dedicated to provide additional scholarships and supplies for our schools through *Art Reach*, and making the competition one of the premier Plein Air events in the country.

Last year we provided more than \$3,000 for art supplies to the San Clemente School District, and two \$1,000 scholarships to talented young artists. This is where we need your help. *Paint San Clemente* is planned for June 25 through July 3, 2005. We would like to double the number of scholarships and money for supplies provided last year.

By helping us with your contribution towards our goal, you will make an incredible difference in young artists' lives, and help enrich the arts in San Clemente.

We hope you will help us encourage the creative expression of our youth through art and to promote the arts as an important part of our community. Please complete the enclosed gift form and return by April 1, 2005 and to be an important part of *Paint San Clemente* and *Art Reach*.

Sincerely,

Pam Hill
Chair – Paint San Clemente Event

The San Clemente Art Association is a registered 501 C 3: tax id number 95-111713.
